# Getting Started Guide for Kindle Fire

## CL cloudLibrary™ & kindle fire

### Enable your Kindle

- Go to the Settings Menu by tapping the settings icon;
- Choose Security or Device;
- Turn on the option Allow Apps from Unknown Sources;
- You will get a warning message, click OK;
- Go back to the Home Screen.

**OR**

- Swipe down the screen, to pull up the Quick Settings;
- Tap More;
- Choose Settings then Device or Applications;
- Tap on Allow Installation of Applications from Unknown Sources;
- Go back to the Home Screen.

### Download & install the CL cloudLibrary™.

- Open the Silk browser and go to [www.yourcloudLibrary.com](http://www.yourcloudLibrary.com), then tap the Fire icon;
- Select the correct generation for your device;
- Tap OK and then Open;
- When asked "Do you want to install this application?" select install and then open.

### Set up the App by clicking on the CL app icon on your device. This will open up the app to the login screen.

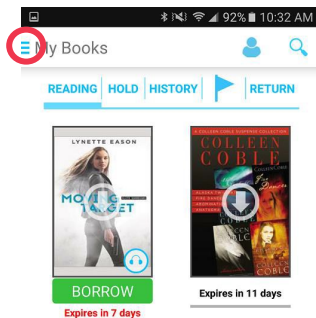

- Choose the United States;
- Choose California;
- Choose Corona Public Library;
- Enter your 14-digit library card number.

### Browse or Search for an eBook or audiobook. When you find a title, click on the book cover.

- ➔ Select the **Borrow** button to download the title.

### Early return option can be found under My Books.

- Click on the 3 blue lines on the top left of the app;
- Select **Mv Books**;
- Select **RETURN** from the menu.
- Select the **Return** button;
- Click on **Yes** to confirm the return.
